Dakota Alliance Soccer Club

High School Player Code of Conduct

I will follow all DASC and South Dakota Soccer policies and procedures.

I will represent myself, my team, and my school in the best manner possible when at all DASC High School games, events, and activities.

I will always put forth 100% effort in training and games.

I will respect and take care of all facilities that I am representing my high school at.

I realize that I am an athlete and will take care of my body so I can reach my fullest potential. I will refrain from using drugs, alcohol, or tobacco.

I will dress appropriately like a soccer player at all training, games and events. This includes wearing shin guards with socks completely covering them, having my shirt tucked in, and refraining from wearing jewelry, watches, and earrings.

I, _____ as a member of Dakota Alliance Soccer Club and an athlete of my high school will conduct myself in a manner that shows respect for the facilities, other players, referees, the coaching and administrative staff, and parents, while I am participating in any High School Soccer Event.

Furthermore, I as a player understand that if I am found to be using or in the possession of drugs, tobacco, or alcohol, or in violation of Dakota Alliance's, SDHSAA, SDSSA, USYSA's, or the hosting organization's rules and regulations, this could result in suspension of participation for and/or IMMEDIATE expulsion from the club, as well as the proper authorities being notified.

If dismissed from the team at an event while traveling, I understand I may be sent home immediately at my own or my parent's expense. If dismissed from the event or expelled from the club, I understand that event fees and/or club dues will not be reimbursed.

I/we the undersigned have read, understand, and agree to abide by the above guidelines and policies. I/we also agree to accept all actions taken for failure to abide by these guidelines and policies.

Power Point Calculations

Evaluation Points

Each team will be awarded Evaluation Points based on its own season record and based on the following tables:

Victory over Opponent in Power Point Game	50 Evaluation Points
Tie with Opponent in Power Point Game	40 Evaluation Points
Loss to Opponent in Power Point Game	30 Evaluation Points

All games for the season for a particular team are scored using table above, and that total is divided by the number of games played by that team. (see example below)

Bonus Points (Strength of Competition)

Each team will receive Bonus Points based on the strength of that team's schedule. The Bonus Points are based on the combined winning percentage of each team's opponents. To calculate bonus points, the total number of wins plus one-half the number of ties for all of each team's opponents will be divided by the total number of games played by that all of that team's opponents. That combined winning percentage is then multiplied by thirty. Note: only games deemed as Power Point Games count for Bonus Points. (see example below)

Example of Power Point Calculation

Assume a team has played 8 qualifying games and has won five, tied two and lost one. This team would receive the following Evaluation Points:

<u>Results for Team</u>	<u>Points per Game</u>	<u>Evaluation Points Awarded</u>
5 wins against teams	50	250
2 ties against teams	40	80
1 loss to teams	30	<u>30</u>
Total Evaluation Points		360
Divided by Games played		8
Average Evaluation Points per Game		45

Bonus Points (Strength of Competition)

The opponents of this team have combined for 90 wins, 30 ties 60 losses; a total of 180 games. Ties are counted as ½ win and ½ loss. Bonus Points for the team are calculated as follows:

<u>Combined totals for Opponents of Team "Red"</u>	<u>Win Total</u>
90 total wins (1 point per win)	90
30 total ties (each ties counts as ½ of a win)	<u>15</u>
Total wins points	105
Divided by 180 total games	.58333
Multiplied by 30	17.5

The team receives 45 evaluation points and 17.50 Strength of Schedule Points.

Evaluation Points	45.0
Bonus Points	17.5
Premium Points	<u>00.0</u>
Total Power Points	62.5

Sioux Falls School District Year-Round Activity Rules

Summary of District Policy JJAA/JJAA-R*

School activity participants are expected to demonstrate behavior that reflects positively on the individual, school, and community. The rules governing participation in school activity events are in force year-round. The chart below summarizes district policy* and state law regarding school activities. The consequences listed below are minimum only.* If you have questions regarding the policy, contact your school principal.

DEFINITIONS

SCHOOL ACTIVITY – School activities include but are not limited to athletics, band, cheerleading, clubs, dance, debate, drama, drill team, National Honor Society, oral interpretation, orchestra, royalty candidates, student council, vocal, and any other student activities.

SCHOOL ACTIVITY EVENT – A public presentation, performance, competition, or trip associated with participation in a school activity.

SUSPENSION PERIOD – The suspension period for an activity rules violation begins on the date of the next school activity event in which the student is involved. The suspension period for a drug violation is for twelve calendar months from the date of the adjudication, conviction, diversion, or suspended imposition of sentence.

DISTRICT POLICY

Violation: Possession, sale, use, or distribution of tobacco, or a controlled or mood-altering substance. Crime against person or property.

FIRST VIOLATION

Consequence

Suspension from school activity events: 14 consecutive calendar days or two activity events, whichever is greater.

Alternative

Alcohol/drug violation

Suspension reduced to 7 calendar days or one activity event, whichever is greater, if the student and at least one parent participate in a drug/alcohol evaluation and attend every session of the Sioux Falls School District Drug Prevention Program.

Tobacco violation

Suspension reduced to 7 calendar days or one activity event, whichever is greater, if the student participates in every session of a District-approved tobacco education class.

SECOND VIOLATION

Consequence

Suspension from school activity events: 42 consecutive calendar days or six activity events, whichever is greater.

Alternative

Alcohol/drug violation

Suspension reduced to 21 calendar days or three activity events, whichever is greater, if the student and at least one parent participate in a drug/alcohol evaluation and attend every session of the Sioux Falls School District Drug Prevention Program.

Tobacco violation

Suspension reduced to 21 calendar days or three activity events, whichever is greater, if the student participates in every session of a District-approved tobacco education class.

THIRD VIOLATION

Consequence

Suspension from school activity events: 12 calendar months.

Alternative

Alcohol/drug violation

Suspension reduced to 60 calendar days if the student completes a chemical dependency treatment program.

Tobacco violation

Suspension reduced to 60 calendar days if the student completes an intensive tobacco use cessation program.

RECORD OF VIOLATIONS

Violations accumulate for one year in middle school (grades 6-8). After 12 calendar months, a middle school student starts over with a clean record. Violations accumulate for four years in high school (grades 9-12). For example, if a student has a violation as a ninth grader, the violation is on record for four years. If a middle school student participates in high school activities, violations accumulate starting when the student's participation begins. For example, if an eighth grade student participates in high school activities and has a violation, that violation stays on record for five years.

CLEAN RECORD PROVISION

Students who have one violation then remain violation-free for 12 consecutive months start over with a clean record. This opportunity applies only once during a student's high school career. (Provision does not apply to suspension for a drug conviction, adjudication, diversion, or suspended imposition of sentence.)

NO PENALTY PROVISION

Students are encouraged to seek help for chemical dependency problems. Students with no identified violations will not be penalized if they voluntarily enter a treatment program and abstain. (If, while in the program, students violate the rules, they will be penalized the same as other students.)

PROCESS

- 1) The principal must inform the student of the rule, regulation, or policy that has allegedly been violated.
- 2) The student will be given an opportunity to answer the charges and present evidence on his or her behalf.
- 3) The principal shall render a decision as soon as possible after reviewing the case.

Upon suspending a student, if possible, the principal shall provide oral notice of the suspension to the student's parents or guardian. The principal shall also provide written notice to the parents or guardian. The principal's decision may be appealed to the Superintendent within 5 school days of notification of suspension. Ineligibility remains during the appeal process.

State Law

Violation: Drug conviction, adjudication, informal adjustment or court-ordered diversion program, or suspended imposition of sentence.

First Violation	<p>Consequence Suspension from participation in any activity sanctioned by the SDHSAA for 12 calendar months.</p> <p>Alternative Suspension reduced to 60 school days if student participates in an assessment with a certified chemical dependency counselor or completes an accredited intensive prevention or treatment program.</p>
Second Violation	Permanent suspension from participation in any activity sanctioned by the SDHSAA.
